

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK

In re:
DELPHI CORPORATION, et al.,
Debtors.

Chapter 11
Case No. 05-44481 (RDD)
(Jointly Administered)

**SUPPLEMENTAL DECLARATION AND DISCLOSURE STATEMENT OF DAVID A.
WILSON SUPPLEMENTING THE PRIOR DECLARATIONS IN SUPPORT OF
ORDER AUTHORIZING EMPLOYMENT AND RETENTION OF WILMER CUTLER
PICKERING HALE AND DORR LLP AS SPECIAL COUNSEL**

I, David A. Wilson, Esquire, declare under penalty of perjury as follows:

1. I am a partner in the law firm of Wilmer Cutler Pickering Hale and Dorr LLP (“WCPHD”), which maintains offices in Washington, DC, among other places. The name, address, and telephone number for WCPHD are as follows:

Wilmer Cutler Pickering Hale and Dorr LLP
1875 Pennsylvania Avenue NW
Washington, DC 20006
Telephone: (202) 663-6000
Facsimile: (202) 663-6363

2. I am a member in good standing of the bars of the State of Maryland, the Commonwealth of Massachusetts, and the District of Columbia.

3. I submit this Declaration, pursuant to Rule 2014 of the Federal Rule Bankruptcy Procedure (the “Bankruptcy Rules”) and Rule 2014-1 of the Local Bankruptcy Rules for this Court (the “Local Rules”), in connection with the application of Delphi Corporation (“Delphi” or the “Company”) and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the “Debtors”), for an order, pursuant to sections 327(e) and 1107(a)(1) of Title 11, United States Code, 11 U.S.C. §§ 101 et seq. (the “Bankruptcy

Code”), authorizing the retention and employment of WCPHD as special counsel to Delphi in connection with the allegations made by Robert Mothershead, nunc pro tunc to March 29, 2007 (the “Application”).¹ This Declaration shall also constitute WCPHD’s disclosure of compensation required by Bankruptcy Rule 2016(b), Local Rule 2016-1, and section 329 of the Bankruptcy Code.

4. I am authorized to make this Declaration on WCPHD’s behalf and, unless otherwise stated, I have personal knowledge of the facts set forth herein. Certain disclosures herein relate to matters within the knowledge of other attorneys at WCPHD and are based on information provided by them.

WCPHD’s Retention and Representation

5. Since 2004, as previously disclosed by the Company, the Securities and Exchange Commission (the “SEC”) and other authorities have been investigating Delphi’s accounting and adequacy of disclosures for a number of transactions (the “SEC Investigation”). The Audit Committee undertook to examine the circumstances giving rise to the SEC Investigation and to take appropriate actions with respect thereto, including disciplinary actions and communicating with the SEC and other authorities. The Company retained WCPHD to represent the Audit Committee for these purposes under the terms of the engagement letter dated August 24, 2004. On November 9, 2005, the Debtors submitted a Retention Application for authorization to employ and retain WCPHD as special regulatory counsel for the Audit Committee. The Declaration and Disclosure Statement of Charles Davidow was filed in support of the November 9, 2005 Retention Application (“Davidow Declaration”), and included disclosure of WCPHD’s

¹ Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Application.

relationships with certain interested parties in this bankruptcy. The Court entered an order granting that Application on December 2, 2005. On October 30, 2006, the SEC commenced and simultaneously settled with the Company a lawsuit alleging violations of federal securities laws. WCPHD continues to serve as special regulatory counsel for the Audit Committee.

6. On November 1, 2006, Delphi elected to expand WCPHD's retention to include the provision of legal advice with Delphi's annual report, executive compensation, and related disclosure matters. On December 26, 2006, the Debtors submitted a supplemental Retention Application for authorization to employ and retain WCPHD in this capacity. The Declaration and Disclosure Statement of Knute J. Salhus was filed in support of the December 26, 2006 Retention Application ("Salhus Declaration"). The Court entered an order granting that Application on January 18, 2007.

7. The Company has retained WCPHD under the terms of the engagement letter dated June 14, 2007 (the "June 14, 2007 Engagement Letter," attached hereto as Exhibit 1) to provide Delphi with legal advice in connection with the allegations made by Robert Mothershead

8. The present Declaration is intended to supplement the disclosures in the Davidow and Salhus Declarations.

9. WCPHD is a full-service, international law firm of over 1,100 attorneys with offices in Washington, DC, New York, New York, and 11 other locations worldwide. WCPHD provides legal services in many practice areas, including corporate, securities, trial and appellate litigation, regulatory, intellectual property, tax, employee benefits, and international trade. I understand that Delphi selected WCPHD as its counsel with respect the allegations made by Robert Mothershead because of the firm's reputation and extensive experience, knowledge, and national reputation and recognized expertise in the fields of securities law and government

investigations. In connection therewith, WCPHD has become familiar with the factual and legal issues relevant to the matters described in the Engagement Letter.

10. In light of certain existing client representations on unrelated matters, the engagement of Skadden, Arps, Slate, Meagher, & Flom LLP (“Skadden”) as bankruptcy counsel, the engagement of Shearman & Sterling LLP (“Shearman”) as special counsel, the engagement of O’Melveny & Myers LLP (“O’Melveny”) as special labor counsel, and the engagement of Groom Law Group Chartered (“Groom”) as special employee benefits counsel (all, as addressed below), WCPHD will not be responsible for or undertake any representation with respect to (a) advising the Debtors concerning specific contracts and claims of certain of WCPHD’s existing clients nor (b) reviewing, interpreting, or commenting on the specific contracts and claims of certain of WCPHD’s existing clients. These existing client relationships, and the scope of the carve-out from WCPHD’s retention, are discussed more fully below.

11. I understand that the Debtors may request that WCPHD undertake specific matters beyond the limited scope of the responsibilities set forth above. Should WCPHD agree in its discretion to undertake any such matter, it is WCPHD’s understanding that the Debtors shall seek further order of this Court.

12. WCPHD is making efforts, together with the Debtors’ bankruptcy counsel, Skadden, special counsel, Shearman, special labor counsel, O’Melveny, and special employee benefits counsel, Groom, to ensure that there is no duplication of effort or work between Skadden, Shearman, O’Melveny, Groom, and WCPHD, and will continue to do so. It is WCPHD’s intention that the estates should receive the best value possible from the efficient coordination of work among its counsel. WCPHD believes that its lawyers and Skadden, Shearman, O’Melveny, and Groom have to date delineated clearly, and will continue to delineate

clearly, the division of work between them, so as to avoid any duplication of effort and to maximize the efficiencies of the proposed arrangement.

WCPHD's Disclosure Procedures

13. Skadden forwarded WCPHD a list of the principal parties-in-interest in these chapter 11 cases, including the Debtors and Delphi's domestic and foreign subsidiaries, and its directors, officers, and key executives, lenders, insurers, underwriters, unions, and major equity-and note-holders, customers, vendors, and counterparties to their major leases and contracts, among other entities with possible connections to these cases. WCPHD added certain entities to the list provided by Skadden. The entities referenced in this paragraph are referred to collectively as the "Interested Parties." The list of Interested Parties is attached hereto as Exhibit 2.

14. In preparing this Declaration, I implemented procedures developed by WCPHD to ensure compliance with the requirements of the Bankruptcy Code and the Bankruptcy Rules regarding the retention of WCPHD in the Debtors' chapter 11 cases (the "WCPHD Disclosure Procedures"). The statements and disclosures contained herein are based on the results of the WCPHD Disclosure Procedures. Pursuant to the WCPHD Disclosure Procedures, I performed, or caused to be performed, the following actions to identify the parties relevant to this Declaration and to ascertain WCPHD's connections to the Interested Parties:

(a) WCPHD personnel compared the list of Interested Parties to the names that WCPHD has compiled in a master client database from its conflict clearance and billing records, comprised of the names of the entities for which any attorney time charges have been billed in the past ten (10) years (the "Client Database"). The Client Database includes the name of each current or former client, the names of the parties who are or were related or adverse to such current or former client in the matters on which we represented the client, and the names of the WCPHD personnel who are or were responsible for current or former matters for each such client.

(b) Any matches between the Client Database and the list of Interested Parties

were identified (the “Client Matches”).

(c) An attorney at WCPHD then reviewed the Client Matches and deleted obvious name coincidences and individuals or entities that were adverse to WCPHD’s client in both this matter and the respective matters referenced in the Client Matches. Any connections to Interested Parties that were disclosed in the November 9, 2005 Davidow Declaration or the December 22, 2006 Salhus Declaration were also deleted. The remaining client connections were compiled for purposes of this Declaration.

(d) In addition to the foregoing, a request was made of all WCPHD attorneys to determine if any WCPHD attorney (i) holds any equity or debt security of the Debtors, or (ii) has any claim against or other connection to any of the Debtors.

WCPHD’s Connections

15. The disclosures in this subsection are the product of implementing the aforementioned WCPHD Disclosure Procedures, and disclose WCPHD’s connections with the Interested Parties for purposes of Bankruptcy Rule 2014 as of November 9, 2005. The disclosures are arranged in the same categories as the Interested Parties List:² (i) domestic subsidiaries;³ (ii) foreign subsidiaries; (iii) joint owners of subsidiaries; (iv) directors, officers, and key executives; (v) major customers; (vi) insurance providers; (vii) major vendors; (viii) professionals; (ix) indenture trustees; (x) underwriters of securities; (xi) non-Debtor parties to collective bargaining agreements; (xii) counterparties to major leases; (xiii) counterparties to major contracts; (xiv) major lenders; (xv) state and other government authorities; (xvi) potential interested parties; (xvii) major litigation parties; (xviii) holders of 5% or more of the equity securities of the Company; (xix) holders of 5% or more of notes of the Company; and (xx) postpetition parties.

² Certain Interested Parties listed in paragraphs 17 and 18 of this Declaration may qualify for more than one of the categories set forth therein. For example, certain “Major Customers” also may be “Counterparties to Major Contracts.” To avoid duplication, I have listed each such Interested Party in only one applicable category.

³ This category includes all of the Debtors.

16. WCPHD does not represent other of its current clients on a basis adverse to the Company in any matters other than those that have already been disclosed to the Court.

In addition to WCPHD's ongoing representation of the Audit Committee and the representations disclosed in the Davidow Declaration, dated November 9, 2005, and the Sallhus Declaration, dated December 22, 2006, WCPHD currently represents and may represent in the future, in new matters wholly unrelated to these chapter 11 cases, the following Interested Parties or, in some instances, their affiliates:

19. In addition to the disclosures made in the Davidow and Salhus Declarations, attorneys at WCPHD have the following connections to Debtors. A retired partner owns approximately 2,100 shares of Delphi Corporation common stock. The spouse of a counsel of WCPHD holds a total of less than 150 shares of Delphi Automotive stock. In addition, the spouse of one partner of WCPHD holds approximately 200 shares of Delphi common stock.

20. Some of our attorneys, in the context of their personal finances, directly or indirectly own publicly traded securities in certain non-Debtor Interested Parties. We have not listed or inquired about these connections with specificity because we do not believe they have any bearing on our representation of the Audit Committee herein.

21. I note that WCPHD has a long-standing policy prohibiting all of its lawyers and support staff from using confidential information that may come to their attention in the course of their work. In this regard all WCPHD personnel are subject to certain ethical constraints, including a bar from trading in securities with respect to which they possess confidential

information.

22. To the best of my knowledge, neither WCPHD, nor its partners, junior partners, counsel, or associates have any connections to (A) the Assistant U.S. Trustee for Region 2, her staff, or individuals employed by the Office of the United States Trustee for the Southern District of New York, Manhattan and White Plains divisions, or (B) the Bankruptcy Judge presiding over these chapter 11 cases or his chambers staff.

23. WCPHD is a major law firm and has a diverse client base. In calendar year 2006, no single client (including affiliates) accounted for more than 2.9% of WCPHD's total time billed for that period. No single client referenced in this Declaration accounted for more than 1% of WCPHD's total time billed for 2006.

24. Supplementing the disclosures set forth in paragraphs 15 through 22 above, WCPHD appears in cases, proceedings, and transactions involving many different professionals, including attorneys, accountants, financial consultants, real estate consultants, and investment bankers, some of which may represent Interested Parties or are themselves Interested Parties. Included among those professionals are Skadden, Shearman, O'Melveny, Simpson Thacher & Bartlett LLP (counsel for the agent under the Debtors' prepetition credit facility), Davis Polk & Wardwell (counsel for the agent under the Debtors' postpetition credit facility), Latham & Watkins (counsel for the Official Committee of Unsecured Creditors), FTI Consulting, Inc. (the Debtors' restructuring and financial advisors), and Rothschild Inc. (the Debtors' financial advisor and investment banker). As disclosed in paragraphs 17 and 18 above, certain of these professionals are or have been direct clients of WCPHD in matters unrelated to the Debtors. In addition, WCPHD has in the past appeared, currently appears, and in the future is likely to appear in matters in which WCPHD represents the same entity, a related entity, or an

entity adverse to those represented by other professionals who are Interested Parties or by other professionals that the Debtors have retained or may seek to retain or are otherwise involved in these chapter 11 cases.

25. These chapter 11 cases involve hundreds of suppliers, vendors, landlords, service providers, employees, creditors, and other parties in interest and entities referenced in Bankruptcy Rule 2014(a). WCPHD is continuing and will continue to review potential conflicts and connections with those entities in accordance with the WCPHD Disclosure Procedures and will file supplemental disclosures as appropriate.

26. Based upon the search conducted to date in accordance with the WCPHD Disclosure Procedures, I submit that (A) none of WCPHD's representations or other connections disclosed herein have resulted or will result in any actual or potential conflict of interest herein, and (B) neither I, nor WCPHD or any partner, counsel, junior partner, or associate thereof, insofar as I have been able to ascertain, holds or represents any interest adverse to the Debtors or to their estates with respect to the matters on which WCPHD is to be employed.

WCPHD's Rates and Billing Practices

27. WCPHD categorizes its billings by subject matter, in compliance with the applicable guidelines of the Office of the United States Trustee (the "U.S. Trustee Guidelines"). WCPHD acknowledges that its compensation in the Debtors' cases is subject to approval of this Court in accordance with applicable law and court rules and orders, including section 330 of the Bankruptcy Code, Bankruptcy Rule 2016, and the U.S. Trustee Guidelines.

28. As of the Petition Date, WCPHD's hourly rates for matters of this type ranged from \$475 to \$850 for partners, from \$450 to \$520 for junior partners, from \$425 to \$675 for most counsel, from \$275 to \$490 for associates, from \$200 to \$425 for attorneys/specialists,

and from \$125 to \$265 for most categories of paraprofessionals. WCPHD's hourly rates are adjusted from time to time.

29. No promises have been received by WCPHD or any of its attorneys as to payment or compensation in connection with these cases other than in accordance with the Bankruptcy Code, Bankruptcy Rules, Local Rules, U.S. Trustee Guidelines, and orders of this Court. WCPHD has neither shared nor agreed to share, with any person other than partners and employees of WCPHD, any compensation or reimbursements to be received by WCPHD in connection with its services rendered in these cases.

30. I acknowledge that all amounts paid to WCPHD during these chapter 11 cases are subject to final allowance by this Court. In the event that any fees paid or expenses reimbursed to WCPHD during these chapter 11 cases are disallowed, those amounts will be disgorged by WCPHD and returned to the Debtors or as otherwise ordered by the Court.

31. By reason of the foregoing, I believe that WCPHD is eligible for employment and retention by the Debtors pursuant to section 327(e) of the Bankruptcy Code and the applicable Bankruptcy Rules and Local Bankruptcy Rules.

32. The foregoing constitutes the Declaration of WCPHD pursuant to section 329 of the Bankruptcy Code and Rules 2014(a) and 2016(b) of the Bankruptcy Rules.

I declare under penalty of perjury that the foregoing is true and correct.

David M. Sherbin, Esq.
Vice President & General Counsel
Delphi Corporation
5725 Delphi Drive
Troy, MI 48098-2815

Dear David:

We are pleased that Delphi Corporation has asked Wilmer Cutler Pickering Hale and Dorr LLP to serve as your counsel, and look forward to the opportunity to serve you. This letter will confirm our discussion with you regarding the engagement and describe the basis on which our firm will provide legal services to you. If you have any questions about any of these provisions, do not hesitate to call, and if any of these terms is not acceptable to you, please notify me immediately.

1. Client; Scope of Representation.

Our client in this matter will be Delphi Corporation (the “Company”). We will be engaged to work with you on investigating and advising the Company in connection with allegations made by Robert Mothershead, which we understand he has conveyed not only to the Company but to the staff of the Securities and Exchange Commission and the Department of Justice (the “Matter”). Our acceptance of this engagement does not involve an undertaking to represent you or your interests in any other matter.

2. Fees and Expenses.

Our fees are ordinarily based on hourly rates for lawyers and, where applicable, other professionals and paraprofessionals. We review and may adjust our billing rates annually, and changes in billing rates for personnel working on your case may occur during the course of the representation. My 2007 billing rate for this matter is \$ 595. I would expect to add staff to this matter as appropriate. Our 2007 rates for matters such as this generally range from \$475 to \$850 for partners; \$425 to \$675 for most counsel; \$275 to \$520 for associates; \$200 to \$300 for technical specialists; \$125 to \$300 for most categories of litigation support, research and other paraprofessionals; and \$75 to \$250 for temporary project assistants, paralegals, litigation support specialists, law clerks, and lawyers.

Our invoices will include separate charges for disbursements made and internal charges incurred on your behalf. These may include such items as reprographics, after hours support,

computerized research charges, courier and messenger charges, postage, supplies, travel and related lodging and meal expenses, charges for complex document production, and late night meal and transportation costs. Except as set forth in the Policy on Disbursements and Other Charges attached hereto and incorporated herein, we will bill you at cost for charges paid to third parties, and charges for internal services will be billed at our usual and customary rates for such services. Fees and expenses of others (such as consultants, experts, and local counsel) and other extraordinary expenses (such as remote office requirements for trials, etc.) will not be paid by us, but will be billed directly to you, unless other arrangements are agreed to between us. We have a copy of your billing instructions, and, except as specifically changed by this letter, we will continue to abide by the terms of our August 24, 2004 engagement letter with Delphi.

We will ordinarily send you monthly invoices for work performed and expenses recorded on our books during the previous month. As with the other matters we are working on for the Company, we understand that we have been retained as special counsel to the Company and that payment of our invoices is subject to the approval of the United States Bankruptcy Court for the Southern District of New York in accordance with the Bankruptcy Code. Additional details concerning expense reimbursement are set forth in the enclosed Policy on Disbursements and Other Charges.

3. *Conflicts.*

We are a large firm with offices in a number of cities in the United States and abroad, and we represent many other companies and individuals. Given the breadth of our practice, it is possible that during the time we are representing the Company, some of our present or future clients will be engaged in transactions, or encounter disputes, with the Company. The Company agrees that we may continue to represent, and may undertake in the future to represent, existing or new clients in any matter that is not substantially related to our work for you even if the interests of such clients in those matters are directly adverse to you. At no time would we use or disclose any confidential or proprietary information relating to your representation in connection with our representation of another client without your written consent. You should know that, in similar engagement letters with many of our other clients, we have asked for similar agreements to preserve our ability to represent you.

It is also our mutual understanding that we are being engaged by, and will represent, only the Company and not any parent, subsidiary, joint venture partner or other affiliated entities and that our representation of the Company in this matter will not give rise to any conflict of interest in the event other clients of the firm are or become adverse to any such parent, subsidiary or affiliate. Further, this will confirm that, unless specifically confirmed otherwise in writing, our representation is not a representation of any officers, directors or employees of the Company.

4. Conclusion of Representation.

Either of us may terminate the engagement at any time for any reason by written notice, subject on our part to our professional obligations to you under applicable rules of professional conduct. Unless previously terminated, our representation of the Company will terminate upon completion of the services for the Matter described above in paragraph 1. It is understood and agreed that in the event of any termination or withdrawal, we will be entitled to receive any unpaid fees and expenses. Subsequent invoices sent to collect expenses and/or unpaid balances, and/or accounting records or client lists shall not extend the attorney-client relationship. Unless you engage us after termination of this matter, we will have no continuing obligation to advise you with respect to future legal developments, such as changes in the applicable laws or regulations, that could have an impact on your future rights and liabilities.

Following the conclusion of our representation, we will keep confidential any non-public information you have supplied to us which we retain in accordance with applicable rules of professional conduct. At your request, we will return your papers and property to you promptly upon receipt of payment for outstanding fees and costs. The firm will retain its own files pertaining to the matter in accordance with the firm's records retention program. For various reasons, including the minimization of unnecessary storage expenses, we reserve the right to destroy or otherwise dispose of any such documents or other materials after a reasonable time following the termination of the engagement.

Finally, I would like to confirm that our representation of your interests in the Matter shall not encompass advice concerning insurance matters (including evaluations of insurance claims, notices to brokers, agents, or insurers, procurement of insurance, or coverage issues) [, or, except as required by law and our ethical obligations to you, advice about disclosure obligations under the federal securities laws or any other applicable law]. In the event that you would like us to represent you concerning insurance or disclosure matters, we would need to discuss the nature and scope of any such representation and it would need to be the subject of a separate retention agreement.

**Wilmer Cutler Pickering Hale and Dorr LLP
Policy on Disbursements and Other Charges**

Below is WilmerHale's policy regarding charging disbursements for services provided internally or by third parties. Unless otherwise noted, all third party charges are billed at the Firm's cost. The Firm is mindful of the need to control costs and reviews its charges for disbursements periodically. Accordingly, some of our charges may be revised during the year, but in no event will they be higher than listed without advance notice.

REPROGRAPHICS

| | |
|----------------------------|-----------------|
| Document Printing/Scanning | \$0.15 per page |
| Internal Photocopy | \$0.15 per page |
| Color Photocopy | \$1.00 per page |

The Firm's in-house vendor also has separate charges for special projects such as labeling, velo binding, pagination, and oversize copies.

AFTER HOURS SUPPORT

| | |
|-----------------|------------------|
| Late PM/Weekend | \$50.00 per hour |
|-----------------|------------------|

After Hours Support is charged to the client when an individual remains at the Firm past his or her normal working hours expressly in response to work for a particular client, and not in response to general workload or for personal convenience.

Due to these agreements, clients are billed for searches at significant discounts below published rates and are not charged for printing, normally billed at \$5 per document. In those circumstances where a search is not part of the Lexis or Westlaw discounted program, the Firm bills clients the actual cost invoiced to the Firm.
